

DOUG HUSEN for Corona City Council

A Business Mind with a Pastor's Heart!

- Reduce Traffic
- Bring High Paying Jobs to Corona
- Balance Our City's Budget

Hello Neighbor,

I'm Doug Husen and I'm running for Corona City Council. I'm from Corona and love it so much that my wife, Maureen and I, decided to raise our four children in this wonderful city.

However, Corona is facing very challenging issues that affect our quality of life. Traffic is sucking the life out of us and the time it takes for many of us to get to work or school is just unacceptable. Our city is struggling with overwhelming debt. Without change, our quality of life will continue to slip away.

I want to bring 30 years of business experience and 25 years of pastoral care to address our city's challenges, improve traffic and make Corona the greatest place to live, work and play!

On November 6th, I am asking you to vote "Doug Husen" for Corona City Council.

Thank you!
Doug Husen
